JUST WHAT IS REGIONAL RESEARCH?

Resolanas Event!

A Roundtable Presentation and Discussion with Three Graduate Researchers in Spanish and Portuguese

Wednesday, March 21, 2018, 12:00-1:00, Lab 1

Anna Nogar, Angelica Padilla, Julianna Wiggins and Debra Nieto, Department of Spanish & Portuguese

This presentation/roundtable discussion features three current MA students from the Hispanic Southwest Studies Program in the Department of Spanish and Portuguese. They will discuss the amazing, relevant, locally-based research projects in which they are engaged and explain what it is like to do primary research in the humanities, sometimes for the very first time. Conversation moderated by Prof Anna M. Nogar. Questions welcome!
