The Gradual Release of Responsibility Model:

How to Build and Remove Scaffolding in Foreign Language Classroom?

Wednesday, November 6, 2019
1:00 - 1:50 pm
Lab 2

Anna Shkireva, Teaching Assistant of Russian Department of Foreign Languages & Literatures

«Scaffolding» has become a modern word to describe beneficial strategies for language instruction, but what are the steps to build «the language structure» and how to remove it when it is the time to do so? And when is the time?

Light refreshments will be served.
