

## Changing Typing Languages

Click on the country flag in the upper right corner of the screen and change it to the desired language on the drop down that appears. (See image at right.)

## Changing Spell Check Languages

In Word –

1. Click on the Tools menu;
2. Click on Languages;
3. Select the target language.

In Pages –

1. Click the "Inspector" button at the top of the Pages window;
2. Click the "Text" section in the inspector (this looks like a capital "T");
3. Go to the "More" tab and choose the desired language from the "Language" menu.
