We are looking for volunteers to help us find out more about how virtual reality can help heritage language speakers recognize cultural cues.

You may be eligible to participate if you...

- Are over 18 years old
- Are enrolled in or have taken a Spanish as a Heritage Language course (e.g. SPAN 1210, 1220, 2210, 2220 – previously SPAN 111, 112, 211, 212)
- Grew up speaking Spanish at home and took a Spanish course in college

Participation includes playing a VR game which will take approximately 1 to 1.5 hours and answering some brief follow-up questions and a demographic survey.
